

Dear Son

Of mine How soon have you forgotten that the forgiveness you seek is not mine to give you. still must look deep with in yourself and find the forgiveness you seek. when you forgoe yourself.

Then my forgiveness is with out Question.

Yours for the asking and you will and shall join me. by my side forever and ever my words have ~~in~~ been spoken sayth thy Lord.

I opened my eyes with tears running down my face. I knew I was dreaming "are was i"

Either way I'm back in my world where I will be careful of my way of life from now on.

▽ What is a Dad

A Dad is a Person who  
Tries to teach you Right from Wrong  
A Dad is a Person who  
is usually wrong more than he's right  
But is always right when he's  
Wrong.

A Dad is a Person who  
Expects you to be there for him  
But never there for you

A Dad is a Person who  
is always saying He works  
Hard for his money, but  
never has any to spend.

A Dad is a Person who  
will Bust you Butt when  
you do something wrong.  
But all the time he's doing  
it he's telling you how much  
He Loves you. And it hurts  
him more than you.

v.

A Dad is a Person ~~who~~  
that if he knew I was  
writing this note. He would  
be having a stroke

But a Dad is a Person  
who we just cant live  
with out.

Thats my Dad!

## The Lords Angles

The Good Lord Told me that  
Being an Angle of His would  
Be one of the Hardest Things  
That would ever be laid of me  
For it didnt matter how much  
Love I had to give or offer  
that it would be turned down  
more then received but to  
Remember not to give up  
For time was on my side and  
Love would always be there for  
someone who would receive  
Love and Return it as they  
receive it.

So Heres all my Love that go's  
out to some one who would  
Like to received it and Return it
