Intro

The core group left from Seattle, Patricia and I with the two grandchildren: Haley 5 and Steven 14.

They had a wonderful time, Steven was able to go off and do the rides no one else wanted to a couple of days.

And then it was a different type of fun with Haley. “No, it’s not a scary ride!” Even when it was.

Patricia’s sister Cindy and Maurice flew in the same day we did, same hotel and all.

My daughter Sheri lives a few miles from Disneyland, so she joined us for a couple of dinners. Driving us down to see my son Sean’s new place and dinner in San Diego. My sister Pam drove up to have dinner with us, a good group for dinner company.
