JACKSON KOLLER

Intro

While down for Sheri's graduation, Sean and I got off to the Wild Animal Park (WAP) for a day.

Following pages are all the animals and scenery we saw. . .

Prologue

The Wild Animal Park is a conservation preserve as much as a zoo, the animals run free in large enclosures and the people are contained. Built in Northern San Diego County near Escondido they were able to acquire sufficient land for open grazing areas.

They have bred and returned to the wild several endangered species.
It is part of the San Diego Zoo.

It is almost like being on safari.
